

Remarks

Claims 1-36 have been elected for prosecution in this application. The remaining original claims 37-141 have been cancelled as belonging to subject matter withdrawn from further consideration in this application. Please cancel these claims without prejudice to their reintroduction into this or a successor application.

New dependent claims 142 and 143 have been added further refining the subject matter of original claim 20 by specifying that the first web referred to in claim 20 is a magnetic film. Support for this addition is found in paragraphs 90 through 101 of the specification with reference to FIGS. 10 and 11.

Consideration and allowance of all remaining pending claims 1-36 and 142-143 are respectfully requested. For any questions on this response or the application, the Examiner is invited to contact applicants' representative at the telephone number given below.

Respectfully submitted,
